National News

Following the Membership Forum at this year's National Conference, a number of complaints were made to the LCC against Mr Colin Kemp, Elected Trustee and elected National Vice Chairman. There was also significant negative comment across social media channels about his behaviour in relation to some delegates and his handling of the Forum.

The Board of Trustees took these complaints extremely seriously and convened an Investigations Panel to investigate the complaints and to hear from all parties.

This Investigations Panel found that the complaints were indeed justified.

The Board subsequently met last week to discuss the findings of the Panel and agreed with them.

The Board of Trustees upholds the values and behaviours of The Royal British Legion as sacrosanct and holds itself to account for the highest standards of behaviour.

Following discussion at the Board of Trustees and a conversation with Mr Kemp, he tendered his resignation from the Board and therefore as National Vice Chairman, which the Board accepted.

The Board wishes to thank Mr Kemp for his many years of service to the Legion and its beneficiaries. He has confirmed that he will continue to support the Charity and its objectives as a Member.

The Board will discuss the issue of the National Vice Chairman vacancy at its September meeting.

Branches Group Meeting

The North Hampshire Group meeting took place at the Old Basing RBL Club on 10th August and

was attended by a good number of Branches to hear from County Committee members. The Committee were on hand to listen to Branches on the problems they face, but also to pass on information from various sources on what is available to help Branches. It was agreed that the Group session was a great success, but needed to be tweaked a bit to ensure plenty of time was given over that an open Q&A session at the end.

Further Group meetings are planned for:
Hayling Island (PO11 9ES) Sunday 1st September
Romsey (SO51 8DE) Saturday 21st September
Southampton (SO14 3HB) Saturday 28th September

Any branch that wishes to attend should put their names forward to the County Chairman, so the committee have an idea of numbers attending. It is requested that if you have detailed questions that you forward them prior to the meeting, to the County Chairman, so the fullest answers can be given.

Please try to ensure that a member of your Branch attends at least one of the group sessions as it will ensure they have access to the most up to date contacts, and also know how and who to contact with queries.

At the Group Meetings the County Chairman will be discussing Project 23, a University of Southampton Business Innovation Program on how to tackle the problems with recruitment with the younger generations. The full report will be released to Branches after the Group meetings, but Branches are recommended to attend the Group meetings to get the County Chairman's personal ideas and understanding, after taking to the Project team, and hopefully help branches tackle the current slow uptake in new members.

Training

Unfortunately, the Branch Treasurer course to be held on 7th-8th September at the Area Office in Southampton has had to be cancelled due to lack of delegates. This is very surprising as I am aware that there are a large number of Branch Treasurers who need this course. Going forward a one-day Branch Treasurers workshop has been developed and I will endeavour to run this workshop throughout the county in the New Year.

Following on from the feedback at the group meeting at Old Basing, I have arranged a series of one day Branch Management courses. These will be held on 1st and 8th December in Old Basing and 7th and 14th December at the Area Office in Southampton. This course is suitable for all current and prospective branch committee members. This will be a full day starting at 09:00 and ending late afternoon. Refreshments and a light lunch will be provided. There will be a limited number of places on these courses so I would encourage those who wish to attend to submit an application as soon as possible.

Depending on take up of this course we will be running more in the New Year.

I would remind you that following on from the successful Independent Examiners course we held in May we have been offered dates for another course 16th-17th November. It is critical that we increase the number of IE's within the county so it is imperative that this course is also a success. Please be informed that it is a requirement that delegates have previously attended a RBL Branch Treasurer course. The IE course ends in a written exam which delegates shall pass in order to perform duties as an IE. If you are interested in attending this course then please contact me at Hampshire.cto@rbl.community.

Finally, I would remind branches of my offer to hold MAP's and Office 365 workshops for branch officer and committee members in individual branches. I have held a number of these workshops the feed-back being that they have proved very useful. If your branch is interested in this then please contact me at

Hampshire.cto@rbl.community .

Branch News

Kingsclere

As are many local branches, after a busy start to the year we are now catching breath before starting to plan and prepare for Remembrance weekend where we are hoping to carry forward the support shown from the village in 2018.

Before that we have a number of other activities. Our monthly Brunch Club continues to go from strength to strength, bringing in new members and a great deal of interest in what we are doing and planning.

We plan to lay a small memorial stone to remember Sgt Jim Beasant, 13th (Lancashire) Battalion, Parachute Regiment who dropped into France on D Day and fought through the war in numerous campaigns. Jim was also the Branch President for a long period. Jim sadly passed away in January this year.

Our new CWGC headstone remembering Pte Leonard Cramp will be dedicated in October, as part of our Remembrance activities.

A key theme on our branch plan is to provide support to the wider village community including the Guides, Scouts, Parish Council and school; a number of our branch put on a display for the village school in July as part of their WW2 themed project. A pop up museum of “show and tell” items were put out and a great day was had by all.

Petersfield

Petersfield RBL held their summer dinner at the Half Moon in Sheet on Thursday 29th August, where they remembered their fallen comrade Mr John Salmon.

Mr John Salmon

The funeral of John took place at the Oaks Crematorium, Havent on 30th August. John was a Borneo Veteran and had postings in West Germany, Berlin and Longmoor.

The Branch remembered John at the Annual Summer Dinner the evening before.

Bramley & District

The practice of carrying **colours** or **standards**, both to act as a rallying point for troops and to mark the location of the commander, is thought to have originated in Ancient Egypt some 5,000 years ago. Due to the advent of modern weapons, and subsequent changes in tactics, Standards are no longer carried into battle, but continue to be used at events of formal character. They are never capriciously destroyed – when too old to use they are replaced and then laid-up in museums,

religious buildings and other places of significance.

Most military and veterans' organisations have a Standard, the Bramley Branch Standard is 50 years old and is rather heavy, it was becoming a burden for our Standard Bearer, Tony Evans, who is 80. Furthermore, the Branch has now merged with the former Branches at Sherborne St John and Stratfield Saye to become Bramley and District. It was agreed, therefore, that the Branch should acquire a new Standard which, made of modern lighter materials, would be less of a burden for Tony. As well as the basic Standard, we also needed a new pole and new tassels and it needed to bear the GP90 annotation to show that the Standard with Tony had participated last year in the 90th anniversary of the Great Pilgrimage of 1929 when eleven thousand veterans and war widows made a great pilgrimage to the battlefields of the Somme and Ypres before marching to the Menin Gate in Ypres.

The total cost of the standard including the pole, VAT and delivery was £678.00. Donations from members and the Bramley Parish Council covered £506.00 of this with Branch funds making up the balance.

As part of the Morning Service at St James Church on Sunday 21st July the Branch Standard Bearer, Tony Evans, committed the old Standard to the Rev'd John Lenton as the incumbent of the Parish of Bramley for safe keeping in the holy church of St James for evermore. Then Tony presented the new Standard to the Minister who unfurled the Standard and blessed it before placing it on the Communion Table. At the end of the service, Tony received the newly blessed Standard back from the Minister and marched to the back of the church. Our new Standard is now ready for use. The photo shows the old Bramley Standard (on the left) and the new Bramley & District Standard (on the right).

Bramley & District Branch are holding their Annual Dinner on Friday 4th October 2019. It will

take place in Sherborne St John Village Hall (RG24 9HR) starting at 7pm for 7.30pm. The Price is £27.00 per person that will include a drink on arrival, 3 course meal and coffee with full table service. There will be a Raffle, Auction and Bar. Our Guest speaker will be His Honour Judge Peter Clarke QC. *Non-Members will be very welcome.* - Please see attached poster for contact details.

Hampshire Link Newsletter

The Hampshire Link Newsletter is published for the benefit of all Members of the Legion in Hampshire, so please ensure that it is given the widest possible distribution to the membership within your Branches and sub-Branches.

The Hampshire Link would like to hear from Branches that have events in the pipeline, and/or that have taken place, so that we can advertise them to other Branches, as it may give Branches more ideas on promoting not only the Branch but the RBL as a whole, and may lead to improved membership.

Office of Veterans Affairs

It was announced on the 29th July 2019, that the Prime Minister has appointed Oliver Dowden as Minister representing Veterans in Cabinet during a visit to a military base in Scotland.

Oliver Dowden will work closely with Johnny Mercer who has been appointed Minister for Defence People and Veterans. That role will now

be a joint Ministry of Defence and Cabinet Office position, in order to allow the Minister to direct the work of the new Office for Veterans' Affairs. The two ministers will share responsibility for veterans' affairs.

This is the first time that veterans' affairs will be overseen by dedicated ministers in the Cabinet Office to ensure the whole of government pulls together to deliver the life-long support our veterans deserve.

The newly created Office for Veterans' Affairs inside the Cabinet Office will be staffed by officials from the Cabinet Office and Ministry of Defence (and others as necessary). The best experts from across Whitehall will now be working together in the Cabinet Office hub on an holistic approach to veterans' affairs.

The Office will work with departments to coordinate and drive government policy on veterans' welfare, spanning mental and physical health, education and employment. The head of the Office for Veterans' Affairs will report jointly to both Ministers.

GROUP MEETING
HELD AT THE ROYAL BRITISH LEGION
FARNBOROUGH
THURSDAY SEPT 5TH AT 2.30 PM

At our September meeting we are delighted to welcome Eugenie Brooks presenting her illustrated talk entitled The War Graves Commission.

She is a member of both the Royal British Legion and the Guild of Battlefield Guides. Before her career in the Police Force she worked at the HQ of the Commonwealth War Graves Commission and so is familiar with their work and expertise. Eugenie is a vibrant speaker who also leads tours of the Battlefields and Brookwood Cemetery.

We are extending invites to The Farnborough Royal British Legion and any-one interested in Military History who would like to attend.

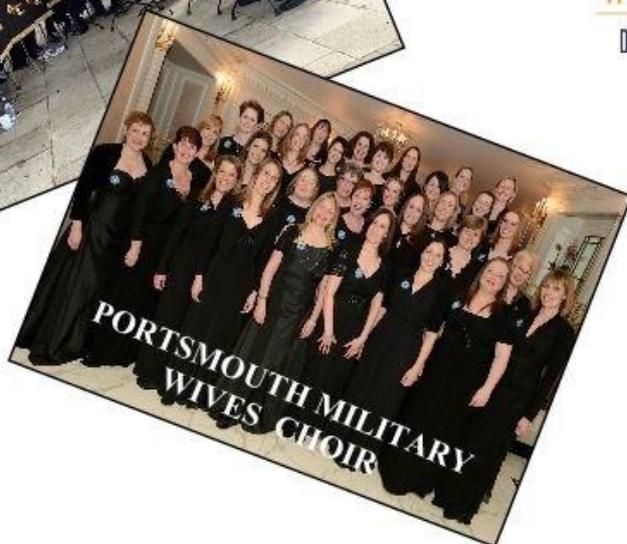

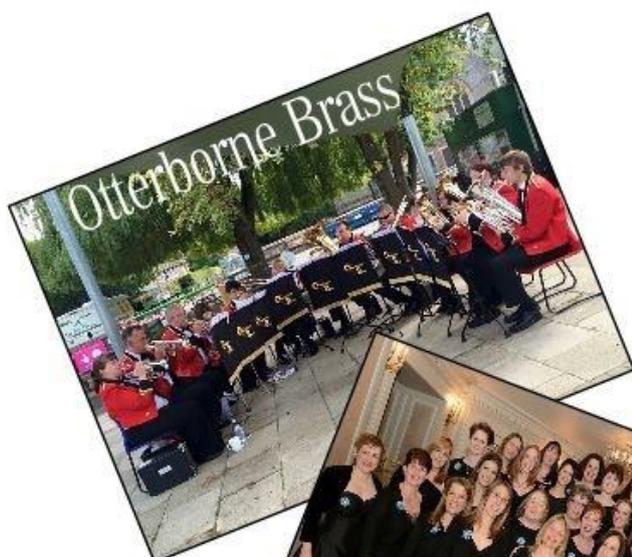

Entrance only £2, including refreshments.
